WeCan Navigate Our Careers: Women at FedGIS

Tuesday, January 29, 2019 | 1:45 PM - 2:45 PM | Walter E. Washington Convention Center, Room 201

Organized by the employee-led Women's Empowerment & Career Advancement Network (WeCan), this session will give you an opportunity to hear from a panel of influential women in the government and GIS community. These leaders will discuss how they successfully navigated through their career path by developing technical and professional skills, defining and communicating career ambitions, overcoming challenges, and cultivating relationships, all while maintaining a healthy work-life balance.
